Re: Veteran Decal Pamphlets

We are asking all municipalities and branch offices to please discard any and all “Veteran Decal Pamphlets” that you have in stock.

When the new Veteran Decals were put into circulation last year and with the fee increase from \$2.00 per set to \$5.00 per set on July 12<sup>th</sup>, 2010, the pamphlets we currently have are obsolete.

There is currently a project underway to make all the information concerning Veteran’s Decals available on our website, but no firm date has been set yet.

If any customer has questions in regards to Veteran’s Decals, please see any branch office or call the Registrations Department in the Main Office at (207) 624-9000 extension 52149.
