---

The Affidavit for Warranty Title has been revised in the following manner:

2. The text in the footer directs the owner to the Warranty Title contact using extension 52139 and fax # 624-9239.
3. The MVT-35, Warranty Instruction page, is now on the reverse of the MVT-34 and is considered part of MVT-34.
4. When ordering the Antique Auto Affidavit, please order using form, # MVT-34. The old forms will continue to be accepted. Replenish with the new form as needed.

Thank you!
