

Hello IF&W Agents,

The IF&W Working Group for the MTCCA and MMTCTA is collecting items of interest for an email meeting. If you have any questions or issues that you would like reviewed, please email any of the below committee members with your items by March 20th. The questions will then be forwarded to Bill Swan, the State Licensing & Registration Director for a response. When the answers are received back they will then be sent out to all of email group members for the Tax Collectors, Treasurers and Town Clerks. The identity of an agent asking a question will not be revealed to IF&W unless the agent approves of their identity being released. Topics may be from manual and MOSES sales agents for game licensing as well as recreational vehicles.

The Committee welcomes it's three newest members: Gail Merrick of Skowhegan, Teresa Shaw of Readfield and Kelly Thibodeau of Saint Agatha. We appreciate each of you being willing to serve and we also thank your communities for allowing you to serve. Thank you for serving all of the agents.

Again, let any of the below committee members know if you have any IF&W issues or questions by March 20th. No question is unimportant. All questions will be reviewed and answered.

Thank you,
